

# Burning

Bryce Anderson

key: D

## VERSE

I should be burning in a fire of torment  
But instead I am burning in a flame of love  
Jesus my Savior, my precious Redeemer  
You bought and you saved me from the fires of hell

## VERSE 2

I should be wearing thorns upon my head  
But instead you have made me a crown of life  
I should be crying with a heart that is hopeless  
But instead I am singing to a God who saves

## PRECHORUS

Lord what can I do to ever give back to you  
Lord what could I say, if I could ever repay  
All that you want is inside

## CHORUS

Jesus, You saved me  
You bore my punishment  
Jesus, You loved me  
You loved me unto death
